All are requested to attend as we talk about the state of our church and its future. Followed by a time of prayer for the needs of our church & praise for the things God is doing in and through it.

Care Net is Presenting:

Abortion is not a secret anymore; it is freely discussed in our society. Despite this openness, many women have pain and experiences that they don't feel comfortable telling anyone. Surrendering the Secret allows women who need help to connect with women who can help.

The next Surrendering the Secret Class will begin in mid-June. Women can sign up by calling 410-326-6866 or emailing sts@carenetsomd.org

You don't have to be alone.
There is hope. There is help.

We invite you, your young people, their friends and your youth and young adult groups to join us for an evening of education about healthy relationships and sexual risk avoidance followed by a "dating panel" where attendees can ask questions anonymously and hear others talk about how they have set boundaries in their own lives and relationships. Parents are welcome and encouraged to attend as well so that they can hear the discussion and continue the conversation at home.

If you have questions, [click here to email us](#) or call 301-737-4604 x 16.

This event is absolutely free but we ask that you register for your free tickets [here](#) (or by clicking the button below) so that we can plan accordingly.
