THE CENTER FOR PARENT/YOUTH UNDERSTANDING

Helping **parents** understand **teenagers** and their world

The above page is a follow up from Stu's overview of the youth ministry this past Sunday.

This is not just for parents, rather, it is for the church, where we as a family and household of God are aware of youth culture trends and issues that affect the church as a whole.

This page helps us as we seek to minister and reach the lost and hurting world with the one and only true Gospel of Jesus Christ.

You may click on the picture above to see the full article or go to our website: www.hfpca.org and click on Resources for Parents in Children & Youth page under Ministries on the top menu.
