For the 2016-2017 school year, the application period will begin by February 1, 2016 on the North Carolina State Education Assistance Authority's website (ncseaa.edu) and parents will be notified of the first round of scholarships by the Authority starting around March 15, 2016. Families re-applying for the program, as well as new applicants, will need to apply on the Authority's website.

How Do Opportunity Scholarships Work?

Low-income and working-class children whose families meet certain income guidelines are eligible to receive Opportunity Scholarships up to \$4200 per student. Once a child has been awarded a scholarship, the family must be admitted to a qualifying private school and authorize the scholarship payment to their chosen school. The NCSEAA will then send scholarship funds to the appropriate private school.

Who Gets Priority to Receive a Scholarship?

- First priority will be given to eligible students who received a scholarship during the previous school year and reapply by March 1, 2016.
- New families who apply by March 1 will be considered in the first lottery.
- New families not receiving a scholarship in the lottery or applying after the March 1 deadline will be placed on a waitlist and awarded scholarships based on their number on the waitlist.

Who Qualifies For an Opportunity Scholarship?

To be eligible for a scholarship for the 2016-2017 school year, household income must not exceed 133% of the amount to qualify for free and reduced price lunch (about \$59,668 for a family of 4).
