

**This Week's Sermon:  
DIRECTION NOT VELOCITY  
Galatians 5:1-25**

Introduction

3 Observations:

1. To add anything to Christ, to add anything to the Gospel, is actually taking away from Christ's work.
2. We're not called to bondage we're called to freedom and that freedom is a freedom to love.
3. The Spirit produces the fruits of righteousness and builds the church together.

Application: What is YOUR next step in participating in what God is doing at Harvest Community Church?

2. How are the Galatians in danger of losing their gospel freedom? (Read MAP 1)
3. What is the hope that Paul says we are to eagerly await?
