

Digging Deeper into the Message

Read Matthew 13:1-23

Why did Jesus speak to the crowds in parables? (verse 10-15)

What was Jesus talking about in verses 16-17 when he said many prophets longed to see what his disciples were seeing?

What does the seed represent in this story?

What does the seed sown on the path represent? (verse 19)

What is the difference between the seed sown on rocky ground (20-21) and the seed sown on thorns (vs 22)?

What is represented by the seed sown on good soil in verse 23?

Which one are you?

Do all the people with good soil (verse 23) reap the same amount of fruit?

How can you apply this passage to your life today?

This week's sermon **THE WAY TO A MAN'S HEART IS THROUGH HIS EAR** **Matthew 13:1-23**

The secrets or truths of the Kingdom of Heaven are told plainly to Jesus's disciples. In contrast, people who refuse to believe are told the truth in stories so that they can become less curious and diminish in understanding.

All the truths that God put into the Old Testament are enough to fill the imagination of man for thousands of years. But what God kept hidden in times past is the greatest truth of all. That is, God has become a man and walked among us so that He could lay down His life for sinners.

2 Observations:

1. Words Matter! (The way to know God is not to do something but to hear something)
2. The Word of God is powerful.
