

## Digging Deeper into the Message

Read 1 Timothy 6:3-11

What does the text say about people who preach a different gospel, other than Jesus Christ?

Write verse 6 below:

What is the logic behind being content? In other words, why should we be content with what we have? (see verses 7-8)

Read verses 9-10 again. How might the pursuit and love of riches lead to harmful desires and plunge people to ruin?

What is the Christian supposed to pursue instead? (verse 11)

How content are you with what you have? Have you seen this contentment grow over your life as a Christian?

What practical steps can you take to be more content today?

This week's sermon

**Contentment**

**1 Timothy 6:3-11**

### **Observations of verses 6-11**

1. **Greed never leads to contentment, but to pain.**
2. **Godliness always leads to contentment because it is in line with reality.**

### **Implications of the Text**

1. **Contentment increases in the life of a godly person.**
2. **Money is not the problem. The problem is in the heart (and therefore, so is the solution!).**
3. **Jesus is the path to peace and contentment in this often-troubling world.**
