

Digging Deeper into the Message

Read 1 Timothy 6:17-21

Do you consider yourself to be rich in this present age?

Thinking about how people in other countries live, how can all of us as Americans consider ourselves rich?

Verse 17 uses the phrase, “the uncertainty of riches.” What are some ways that our riches can fail to keep us secure?

What are we to do instead of putting our hope in riches? (verses 17-18)

What does verse 19 mean?

What do you think the writer means by “irreverent babble and contradictions of what is falsely called knowledge” in verse 20? How can you avoid this kind of knowledge in your life?

What are three applications you can make to your life today from this passage?

This week's sermon
SAY GRACE!
1 Timothy 6:17-21

OBSERVATIONS ABOUT THE TEXT:

1. God warns the rich to avoid the trap of focusing on the gift instead of the giver.
2. God gives us all good things so that we can enjoy them.
3. God wants us to enjoy the things of this life, while living for the next.
4. Grace is more than just a name for a girl.
