RESCUE. REBUILD. REJOICE!

We are excited to announce the 3rd Annual Run for the Hills 5K/10K with Kids’ Dash supporting the Hays Hills Baptist Church Transitional Housing Ministry, and we are looking to secure sponsors. The event will occur on October 26, 2019, and we are hoping for your help to make it a great success! Last year’s event saw over 120 runners, plus at least 200 attendees at the Family Fun Fall Festival, immediately following the race. We raised over \$5,000!

The Transitional Housing Ministry (Rescue-Rebuild-Rejoice) is a ministry of Hays Hills Baptist Church which seeks to help single moms get back on their feet through housing, mentoring, and assisting with other needs. With God’s help and provision, Hays Hills Baptist Church plans to provide housing and mentoring to single mothers and their children who are in unstable or unsafe living situations due to divorce, job loss, lack of family support, medical crises and other life challenges. In July 2018 we interviewed our first two women candidates and assigned coaches to them and we began their financial housing support in August 2018. Both women grew up in the foster care system and entered adulthood with no family support and often without life and job skills. We look forward to being apart of great victories in the lives of many women!

Hays Hills Transitional Housing Ministry believes we can accomplish more together, as a community. For this reason, we are seeking community business and organization sponsorships to bring us closer to our goals of helping single mothers and their children. As a church-sponsored event, your donations are tax-exempt; all sponsors and donors will receive a receipt for their sponsorship or donation after the event.

Our event will be at Hays Hills Baptist Church and will include a walk/run for families and individuals of all ages and activity levels. We will also have family-friendly activities on campus. New this year, all are invited to join us for the Pumpkin Dash — a quick run or walk around the parking lot with a mini pumpkin the participants can keep! The event is open to the public and will be advertised in the local, state, and national community and on social media networks.

Please take a look at the attached Sponsor Form to see how you can actively support this event and single mothers in our community. The sooner you sign on, the sooner we can incorporate your business information into our event marketing. We look forward to hearing from you soon!
