These classes offer a wide range of options for students to choose. Children will not only have fun in these classes but they will learn how to use these skills to glorify God in their daily life.

Please note some classes have age requirements. **Age restrictions are based on this past school year.** Following their first two classes we will have a large group time of praise and worship concluding with students being divided into small groups by grade to study the our Bible passage for the night. We will be taking an indepth look at Deuteronomy 6:4-5. *"Hear, O Israel: The Lord our God, the Lord is one! You shall love the Lord your God with all your heart, with all your soul, and with all your strength.*
