

SHEPHERDING GROUPS

WHAT ARE THEY?

Places to Follow Jesus in Relationship with Others

We GROW together as a church family as we spend time together focused on Jesus Christ, so relationships are at the heart of our Shepherding Groups. In a church our size you can't know everyone, but you need to know someone and be known by them. These small groups, usually made up of 15-20 people, are a crucial place for encouragement and growth in your walk with Christ.

WHEN AND WHERE DO THEY MEET?

Homes around Greenville

Groups meet twice a month in homes, typically on the 1st and 3rd Sunday evenings for 1-2 hours.

WHAT HAPPENS?

Speaking the Word, Praying, and Caring

Group members love one another by living out the "one anothers" of the NT. In this setting, we share life together, confess our sins to one another, speak God's Word into each other's lives, and pray for each other.

When the group gathers, the discussion focuses on the preached Word from Sunday morning. Through the Spirit's help we seek to understand and apply the Word which we've heard.
