

## TODAY

### MAIN SOUTH OUTREACH

Is God calling you to minister on the streets of Worcester? Find out today by joining us, as we head down to Main South to bring the joy of the Lord to the needy souls through music, food, and sharing the gospel. If you can't join us please be praying for God's hand to be upon all we do. There are many needs, but our God is quite capable of taking care of each and every one of them. If you're interested meet us down in the kitchen immediately after service to see how you can help. No sign up required, just, *bring Love to the lost.*

### ATTENTION SCIENTISTS

The Templeton Religion Trust is looking to award congregations with the Stott Award for Pastoral Engagement, aiming to bridge the gap between the antagonism of science and theology. Through careful organization, active involvement, networking and financial resourcing, this award supports pastors and congregations willing to venture into these subjects. If you are a scientist and want to learn more about what this focused study group could look like in our church, please schedule an appointment to talk with Pastor Mike.
