### ELEVATE

Holden Chapel has a youth group because we love to serve our kids. As a church, we want to resource families, parents and the community to raise up their children in the Lord. Hosting a youth group is one way we like to partner with you as you guide your children in the way of truth and grace.

Youth group is a weekly event where we gather our youth so they can be with their peers and so they can study Scripture in an environment that allows them to participate in very meaningful ways.

All of our time together is meant to teach them Biblical truth, build deeper relationships and trust, and allow the students to ask the questions that are important to them. If you would like more information about what we do, why we do it, or when, please contact Pastor Mike by phone, email, Facebook or tweet!
