Before/After School Care for Students in Grades K-8

Updated August 2017

Your child's safety is a priority at HCA. It is therefore imperative that children are supervised at all times.

Early Drop-off Policy and Fee

7:30 a.m. drop-off is available for a fee of \$5.00 per day per student. *Please do not drop off students earlier than 7:30 as they will not be supervised.*

Early students must proceed directly to the gym with their belongings and sign in with the adult on duty with our staff children. Students who do not sign-in will not be supervised; if they are found to be in the building before 8:00 a.m. they will be brought to the office to call a parent and a fee will be charged.

Schedule for After School Care, Monday through Friday

2:45- Students report to designated After School Program area. If a student is signed up for the After School program but is also participating in an after school help session or lesson with a teacher, they should check in with the After School staff before that session or lesson, so proper attendance can be taken. A healthy snack will be provided during the After School program each day; the price increase from last year reflects cost for snack.

Students may be dismissed at any time *before 5:30*; please sign your student out with the staff member on duty. If you do not sign out with time indicated, you will be charged for the later time/fee.
