*Bible for Grades K: ISBN 0945564317. This is the 1989 publication; please borrow or buy used if new not available. You can usually find these on amazon.com

*' (Grade 1) Jesus Storybook Bible is our favorite! We have the CD, so you do not need to purchase the deluxe version that includes the CD, but you might want to have one for your family. We do not recommend the Read-a-loud version since this version is very heavy.

Grades K-2 would love to have some supplies to share among classmates, but these are NOT required: regular Sharpies, assorted colors; Duct Tape, assorted colors; Crayola watercolor colored pencils. If you can donate any of these supplies, please bring them on Meet Your Teacher Day. Thank you!
