Dear Brothers and Sisters of Holy Cross,

We want to express our gratitude to your congregation for the 2017 mission in Bolivia with Doug and Flora Cunningham. The CPR, First Aid, and Diabetes Prevention classes equipped us to better minister to others and were an opportunity to reach out to our greater community.

Moreover, we appreciate the growing relationship between Holy Cross and La Trinidad. Doug and Flora are a beloved part of our congregation here at La Trinidad. And as a congregation you continue to be example and encouragement to us through your generosity, prayers, and participation with us in missions locally.

May God continue to bless you and pour out His Grace upon you as we share the Gospel of our Lord Jesus Christ.

Rev. Tammy Smith-Firestone

Dear Congregation and Missions Committee of Holy Cross Cathedral,

We would like to thank you for renewing your generous support to our ministry through SAMS in Bolivia for this year.

Today, February 2, the Diocese of Bolivia celebrates its 35-year anniversary. The support of congregations like yours has made a positive impact in the proclamation of the Gospel and growth of the church in Bolivia. Your example and support of missions have made a difference in our lives as a family and in the congregation at La Trinidad.

We also realize that we have a great responsibility to be faithful in our ministry, being good stewards of God's resources through your congregation's giving. We continue to make our focus the equipping of leaders and the multiplication of the church, through sharing the Gospel. We appreciate your accompanying us in this ministry through your prayers and mission teams. Our congregation prays for you, our ministry partners, regularly.

May God bless you,
