

EXECUTIVE SUMMARY

*"But as you excel in everything...see that you excel in this act of grace also."
- 2 Corinthians 8:7*

The HOPE Offering is a call to sacrificial giving to fuel local and global missions. It is based on 2 Corinthians 8-9 where we see modeled sacrificial giving, which is above and beyond regular giving, to help fulfill the Great Commandment and Great Commission of Jesus Christ.

Great Commandment – Matthew 22:36-39

"Teacher, which is the great commandment of the Law?" And he said to him, "You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself."

Great Commission – Matthew 28:19

Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit,

One-hundred percent of the HOPE Offering will go towards local and global missions, including these five HOPE initiatives this year:

1. Jamaica Missions - Additionally, we are working on sending a small team to help with music outreach in Jamaica. More details to come soon.
2. Community Service Projects – This year we will be mobilizing our CARES team to serve our community. This team focuses on helping those who need hope through mercy, financial aid, supporting foster and adoption families, and helping minister to families in times of need. We do this through meals, visitation, and handyman fixes. Specifically, we are planning to send a team into the community based on referrals from people within our church. We want to completely meet the need if it's buying and replacing a washing machine for a single mom, or elderly person. If it's repairing a car, painting a house, or school we want to pay for the supplies and send the people to do the job!
3. Community Outreaches – This year we will be offering a number of special events, classes, workshops, programs and services to help better meet the needs of our community and reach the North Valley for Christ! This year's events include but are not limited to, A Date Night for Couples this Spring, Summer Outreaches, A Fall Festival, Financial Workshops, Marriage Seminars, Foster Adoption Awareness Orientations,

Bible Studies and Special services, events and resources for our Fall Kick off, Christmas, Easter and Mother's Day services.

4. Student Ministry Camps - For the past four years we have sent our students to Camp at UCYC in Prescott, Arizona. To do so, North Valley must give deposits pledges and scholarships to help offset the cost so that we can send as many students to experience these life-changing events. Help us send even more kids and expand the age range so that we can make this available for more students this year! We want to add winter camps for students and are planning on sending more students than ever!
5. Starting and Strengthening Churches - Every year we contribute financially to help start and strengthen churches, both locally and globally. We do this through our local church planting network as well as by supporting churches directly. In previous years, we have been able to support churches here in Phoenix, in Los Angeles, and start brand new churches in Nepal through global partnerships! Our most recent church, Mission Grove launched with more than 240 people in attendance. [Click here](#) to watch a highlight of the Grand Opening. We give financially, from our both our general fund and Hope Offering, each year to fuel these mission efforts!

– All monies given will help scholarships, offset, or cover the costs of the trips, events, programs, or special outreach services.
