

Ministry Member Commitment Contract

As a member of the Joy Community Fellowship worship team, tech team or EZ worship operating team:

- **I commit** to spending time daily with God in prayer and in His Word so that my life will be marked out by worship of and conformity to Jesus Christ in greater and greater degrees.
- **I commit** to seeking a servant's attitude and heart as I respond to Christ's service to me in his life, death and resurrection understanding that participating in ministry is an act of service to God's people and ultimately to God.
- **I commit** to using the gifts and abilities I have been given humbly and to the best of my ability to honor the Lord. I will steward my gifts and abilities by further developing my skills as I am able.
- **I commit** to attending scheduled practices and Sunday morning services consistently and promptly.

I have prayerfully reviewed the Criteria and Guidelines and I have considered the above statements of commitment. I feel led to use my gifts and abilities to serve God's people at Joy Community Fellowship in the grace and strength that He supplies. My signature serves to demonstrate my understanding of, and commitment to this team, its leadership, the elders of Joy Community Fellowship and what is God's call in exercising my God given-abilities for His glory.
