Loved & Living Discipleship Series

About two years ago, we introduced a project called *Loved & Living*. Since then, we have been utilizing these concepts in Bible class and sermons. If you're unfamiliar with it, the basic idea is this: underneath every choice we make is a particular set of values and desires, which are shaped by our identity or self-conception. In light of the Gospel, growth in discipleship calls us to ask ourselves, "Who does Jesus say that I am? What has He called me to love? How now does He call me to live?"

During September and October, we are revisiting this series as we look to launch new opportunities for growth in discipleship at Lamb of God. Later this year we will be printing a book for members of Lamb of God to study in homes and small groups. Until then, we encourage every member of Lamb of God to embrace upcoming opportunities to grow as disciples of Jesus. Join us for Family Discipleship Night on September 26th. Join a small group or gather with other members to launch a new one. Get involved serving in church and in the community.

The gift of the Gospel is a gift of a new identity. Jesus' work for us promises we are *loved* by Him and *living* in Him. May His Spirit give us boldness as we seek to share, know, and live Him in Seattle!

Backpacks for Lutheran World Relief

Thank you to everyone who participated by donating items for our backpack drive. Thanks to your generosity, we will be able to fill 140 backpacks! We will be filling the backpacks following worship on September 30th. We ask that you take a few minutes to stick around after worship to help us fill this backpacks so they can be sent off to children in need.

Quilting Begins September 25th

Tuesday quilting will resume September 25th at 10:00 am. Bring a lunch and get ready to work. All are welcome, so if you have been interested in getting involved, this would be a great day to start. If you have questions, contact Bonnie Eisenbeisz at (206) 362-4424.

2018 Quilt Sale October 7th-14th

You asked, and our quilters quilted. If you have been clamoring for quilts, the Lamb of God quilters will be hosting a quilt sale beginning Sunday, October 7 and ending Sunday, October 14. We already have over 60 quality quilts completed, and even more will be ready by the beginning of the quilt sale. In addition, we are also hoping to have 40 quilts designated for the local Seattle women's shelter and the Shoreline Veterans Center.

We welcome you to purchase a quilt for yourself, as a gift, or donate a quilt to one of the shelters. All proceeds go to support the quilting ministry and their work of quilting for Lutheran World relief.

Strip Church 'Thank You'

Strip Church would like to say, "Thank you," to everyone at Lamb of God who has given such great support to its ministry. Whether you have prayed, baked, or offered support of any kind, thank you for the ways you have used your time, talents, and treasures to share the love of God to the men and women working in the clubs in Lake City.

We ask that you would continue to keep their work in your prayers. We trust that through the work of Strip Church people will come to know the promise God has made to us in Jesus: We are loved by Him and we are living in Him!

Christ Cares

Christ Cares: Homeless Ministry continues to be the face for Lamb of God among the homeless and low-income community in Lake City. Each week the ministry serves 20-25 persons with breakfast and hygiene kits. However, the goal of the ministry is not to just serve the community with food and items, but also in building relationships and getting to know our neighbors on the edge of society in order to share the love of Christ.

Through the homeless ministry members of Lamb of God have been able to build relationships in knowing the names and stories of our fellow neighbors. If you are not active in this ministry, ask one of our missionaries who is about some of the people they have gotten to know.

Sunday Server Teams

In the upcoming month the Sunday Servers will be organized in teams to help meet the growing needs of our Sunday Morning Service. If you are not helping make our service possible, consider joining a team.
