

Hello from Munk!

The Midsouth Covenant Camp is now less than six months away, so it is time to start recruiting counselors for camp. **If you are interested in being a counselor at camp please fill out the application and send it back to me soon.** Also, please have your two references send in their forms soon as well.

We will be choosing counselors as soon as we start receiving applications. It will be first-come first-served, including requested age groups.

**Camp training will be the weekend of May 19-20.** If you are able to attend you will be put on the priority list for counselors. If you are unable to attend the training that weekend please still apply. We will put you on a counselor waiting list, inform you if we will be needing your services as soon as possible, and let you know when and where a make-up training will take place.

**The Midsouth Camp 2018 will be August 5-11.** The theme will be "COLORS: the story of Joseph - family matters."

Also, even if you are NOT able to attend camp this summer, please **share this application with someone you know that would make a great counselor at camp.** If we ALL help recruit, we should have plenty of great counselors for the Midsouth Covenant Camp 2018.

I lastly wanted to mention because we sold out of certain age groups/genders last summer for camp, camper registrations will be accepted on a first-come first-served process this time. Once an age group is full we will put all registrations received afterward on a waiting list for camp. **I highly recommend you register your campers as soon as possible once the registration forms are received by your church.** We only have so many cabins and bunks available.

I can't wait for camp!!
