Baptism Profile

As a pastoral team, it's our desire to both honor the Lord and provide clear direction in every aspect of our Christian life.

We're all aware that baptism is a special occurrence in the life of a believer, and we love to highlight this all-important event several times a year during our Sunday celebration. One of the ways we can do that is by sharing a testimony of God's work of salvation in the life of the believer being baptized.

It's with that in mind that we ask you to complete this form. We may then ask that the testimony be shared with the church. If a child is being baptized, parents may assist their child in writing out the testimony but it should be in the child's own words. We would, however, ask that the child share it with the church. While not every testimony will be shared on a given Sunday, we rejoice in knowing how God has brought you to Himself!

Thanks so much for taking the time to do this!
