

RENOVATION 2014

Not much has changed visually in the recent weeks, but a lot has happened! Work has been done to prepare the electrical circuits and prewiring for the new stage lighting and sound equipment. The second floor sound booth wall has been opened to the sanctuary. We are waiting on fixtures for the house lights to arrive and once they are installed we can begin painting and installing flooring. Church services will continue to be held as usual on Sundays at 10:45 am.

CHURCH FAMILY MEETING

We had a great church family meeting on Sunday, June 1 with around 40-50 members present. We discussed Building Up the Body, Building Blocks and Kid's Blocks starting in the fall, and member care among other things. Thanks to everyone for sticking around to eat together and help build up the body of Christ together! Contact Nathan if you have any questions.

Our last Family Fun Night in June was a HUGE success. The next one will be Friday, July 11 beginning at 6:00pm. There will be free burgers and hot dogs and inflatable slides. We will show the movie FROZEN on the big screen at 8:30pm. Contact Randy if you can volunteer to help with set up.

BUNDLES OF HOPE...Update

Thanks again for all the support you have shown. Baby Santi is still in the NICU at Dell Children's Hospital. He has had one surgery and is doing well. He has a long road ahead of him and continued prayers are much appreciated by his mommy and daddy. Sidell is settling in as much as a mother can when her baby is in the NICU. We are planning on having our next BOH shower in early September and are in the process of finding our next momma to love on. Please continue to pray for Santi and family and for this ministry.

NEW SUMMER LADIES' BIBLE STUDY

A Summer Bible Study just for ladies will meet June, July and August. They come together at different homes every other Wednesday evening from 6:30-8:30pm. The study focuses on 1 Thessalonians. From 6:30-7:00 PM, they share prayer requests, fellowship, and share a snack (you are welcome to bring a snack to share if you like). From 7-8 PM, they study God's Word. From 8-8:30 PM, they conclude with a fellowship time. You don't want to miss it! Contact Stephanie Lindsey if you would like more information about this summer group.

NEIGHBORHOOD PARADE

Every year the Milwood and Walnut Crossing Neighborhood Associations partner together for a Fourth of July parade and cook out. The parade will begin in OUR parking lot at 9:30am and travel to Balcones Park where there will be free hot dogs, burgers and drinks. We would love to have your family decorate bikes and join in the parade. If you can help set up at 8am, email Randy.

NEW WOMEN'S LIFE GROUP

A new Women's Life Group began meeting in June. They meet every other Monday from 7-8pm at Melanie Sivells' house. The group is studying the 9Marks book titled *Built Upon the Rock: The Church*. Contact Melanie if you want more information.
