

Dear Parents,

We want to take the opportunity to inform you of our Healthy Kids Policy here at Grace City. We have put these standards in place to insure the safety and health of all children, parents, and volunteers in our kid's ministry.

While the policy may seem overly-cautious or present possible inconveniences for your family, we believe this is the best way to keep everyone safe. If you arrive at Grace City and your child is unable to attend Kid City Classes because of a health reason, you're more than welcome to have them sit with you in our main gathering area.

Thank you for your understanding. We always want to take whatever precautions we can to ensure the maximum health of your kids.

Healthy Kids Policy

To insure the safety and health of all children, parents, and volunteers in our kid's ministry, we will follow the health standards proposed by the American Academy of Pediatrics:

We do not accept a child into the classroom if he/she displays, or we are made aware of, any of the following symptoms:

- Fever (in the last 24 hours)
- Diarrhea and/or vomiting (in the last 24 hours)
- Pink eye or other eye infections (red, crusty, or watery discharge)
- Sore throat
- Sneezing or cough, if persistent and/or productive
- Colored nasal discharge white viral infection; yellow or green bacterial infection
- Jaundice (yellowing of the eyes or skin)
- Any skin infections, sores and/or cuts on the scalp, face, or body particularly if red, swollen, draining, or spreading
- Skin eruptions or rash (other than diaper rash)
- Lice
- Swelling and tenderness of glands, particularly around the face and neck
- Any communicable diseases

Our volunteers are not permitted to administer medicine to children here at Kid City. However, parents are welcome to administer medication to their own child.
