

Groups @ CenterPointe | Winter/Spring 2019

Groups @ CenterPointe are intentional gatherings throughout the community. They exist to provide an environment where people take the next steps to grow in their faith, and foster Christian relationships with others who desire to grow with God.

GROWTH GROUPS

Growth Groups study sermon-based material, serve in the community, and have fun living life together. The goal of a Growth Group is to help you learn to center your life on Jesus because we believe that spiritual growth flows out of two commitments: (1) A commitment to God and the Bible and (2) A commitment to significant Christian relationships. These groups meet weekly.

MEN'S GROUP

The Bible calls men to lead out in being men of prayer and the word. Tuesday mornings engage with other men who are growing and learning how to be a man of prayer and a man of God's Word. Pray with us as we pray for the body of CenterPointe, our community, our nation, and our world. Dive into God's word as we read the books of Acts together.
