

K Group Questions for 20 February 2019

1. What are the three biggest influences (i.e. who or what shapes your thinking?) in your life?
2. Can you share a story of a time where someone swayed you and it led to a poor decision?
3. How specifically do you incorporate wisdom (positive influences) into your life?
4. How are you able to recognize when something is becoming a bad influence upon you? How has the gospel changed your way of thinking?
5. Think back upon your answer in question 2. What (if anything) could you have done differently that would have led to a wiser decision?

'For better or worse, people are known by the company they keep, and the people with whom we choose to surround ourselves invariably have a strong influence on our beliefs and actions. Peer pressure does not go away once we graduate from high school; until the day we die, the people around us and their expectations shape who we are and what we think. These realities mean that we must be careful in choosing our friends, for they will have a formative influence on us.'
