

RED CLAY CREEK CHURCH CEMETERY COMPANY

OF MILL CREEK HUNDRED

GRAVE SITE PURCHASE AND BURIAL INFORMATION

Effective August 2, 2014

The cemetery schedule of plot prices and burial fees are revised from time to time. A portion of the sale price of all plots is invested for the endowment care and upkeep of the cemetery. The care of monuments and any plants or flowers placed on individual plots are the responsibility of the plot holder or their families.

Traditional Burial Plots and Graves

The purchase price is \$1600 for two side by side graves. A single grave is \$850. Corner posts can be added for each lot. Corner posts, which are granite stones with the initial of the lot owner's last name engraved on the top surface, are placed in the four corners of the lot. The current price of a set of four corner posts is \$250, paid by the purchaser.

The price of opening a single depth grave for a standard sized vault is \$880, or for a double depth grave is \$1250. Funeral Directors shall be responsible for collecting the grave opening fees and forwarding them to the Cemetery Manager. The current fee for an opening for an infant burial or a cremation urn is \$400. When rock or frozen ground is encountered, the extra cost will be added. When it is necessary to move or reset a monument, the cost will be added, and paid by the owner.

Section "F" for Cremated Remains

The purchase price of an "F" Section Lot is \$1250 for a single burial and \$1550 for a lot accommodating two cremated remains. The purchase price of a lot in this section includes a 12 in. by 24 in. granite memorial stone (placed at ground level). Inscriptions on the stone are the responsibility of the purchaser.

The fee for interment of remains is \$400.
