

## Text to Give – How to send a text donation to RCCPC

We now offer the “text to give” option for our congregation at Red Clay. This service can even be used during the worship service for those without cash or check. Please create or update your online payment profile using the information below and be ready to make a donation by text this Sunday.

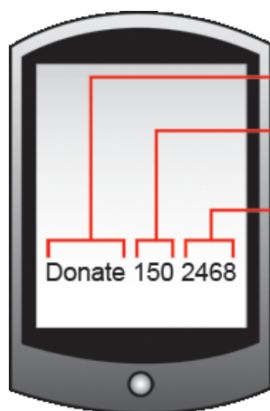

1. To create or update your online payment profile, simply click [HERE](#). It’s a pretty standard process – something like you would do to purchase just about anything online. If you already have a profile, simply log in with your email and password.
2. Once you’ve created a profile, be sure to “Opt In” for Texting on your profile page. It will ask for your cell phone number.
3. Have your cell phone handy because you will receive a text with a four-digit code that you will need to enter in order to activate the feature.

Once that’s done, you will be taken to a page that describes how to make a donation in the future. Don’t worry about memorizing it, as it is pictured below. However, you will need to remember your four-digit pin number that you create.
