## WINTER BIBLE STUDY

The opening lines and chapters of Genesis teach us fundamental truths about God. We watch Him bring light after darkness, order after chaos, and rest after toil—all through the power of His Word. Over 10 sessions of verse-by-verse study, dive into the first 11 chapters of Genesis by following three critical stages of understanding: comprehension, interpretation, and application. Revisit familiar stories and historical figures, challenge your basic knowledge, and discover deeper meanings in the text. As God reveals Himself through Scripture, we can only begin to understand ourselves when we first glimpse the character, attributes, and promises of our Creator.

- Gain knowledge of yourself by first understanding God as He has revealed Himself through Scripture.
- Learn to love God with your mind as well as your heart through intentional study.
- Challenge your basic understanding of familiar stories through three critical stages of understanding: comprehension, interpretation, and application.

**PROMISED GRACE FOR REBEL HEARTS**

*Deuteronomy's Call to Find Life in the God of Grace*

**Join us for TGC's 2018 Women's Conference, a conference that's for women but not all about women. Together we'll exalt the Lord Jesus and grow in his Word.**

Plenary speakers, including John Piper, Jen Wilkin, Gloria Furman, Don Carson, Rosaria Butterfield, and many others will expound key passages from Deuteronomy, to help us take it in deeply and personally. We'll sing and celebrate this Word of grace. A host of workshop speakers will address topics that show in practical ways how God's grace shapes every aspect of life in this fallen and needy world. Teaching from the Word . . . fellowship around the Word . . . hearing the voices of sisters living out the Word all over the world . . . TGCW18.
