

## **Missional Community**

### **Leader Profile: Katie Wendlandt**

Katie is a senior starting her final year of nursing school at Texas A&M. She loves to spend time with her friends and church family, always looks forward to a good book, and can jam to Mama Mia any day of the week.

Restoration Church Bryan has deeply impacted her faith and she is so excited to study the Word and get out in the community to tell others of the hope we have in Christ! The Lord has changed her life and she can't wait to walk through life with fellow believers in this.
