

CONNECT GROUPS

In the Book of Acts we read about the early church gathering often from “home to home.” This means there were small, intimate times of fellowship that helped the Christian community to thrive. While we believe that a personal relationship between each individual and Christ Jesus is at the center of Christianity, we should not stop there. Being part of a small group study helps you to grow in knowledge and in relationships with others.

We invite you to join a Connect Group for community, prayer, and Christ-centered learning. Groups will begin meeting the week of January 21, 2019. All are welcome.
