Specific Prayer Requests

Jeff Bithers who underwent a liver transplant a couple weeks ago. Jeff and Susan are new to our church, coming from Grace Bible in Tempe. We welcome them and desire to lift them up during this season of recovery. Susan’s request as of 7-1-18 *“They discharged Jeff on Friday and readmitted him yesterday. He is in the ICU and apparently has a leak somewhere in his abdomen. Not sure what steps they will take next but another surgery is an option that has been discussed. We would like to avoid that if possible and God is able. They are running tests today to see if they can pinpoint the leak and then formulate a plan. Prayers are appreciated. Thanks much!!”* As of today, 7-2-18 Susan shared: *Jeff will go in for another surgery today at 12:30. They are labeling this as “exploratory” as they are looking for a “leak” or something causing infection. We have no idea how long the surgery will take or what they will find. Leaning on the Solid Rock.”*

Luis Ayala went in for a procedure last week and is not in need of any stents, which is a huge praise. Friday they chose to put a pacemaker in to help with his condition.

Bridget Korzenowski – Bridget has three young children and has been suffering with headaches for two weeks – she was diagnosed with pneumonia on Saturday. Pray for a speedy recovery.

Praise Report

Dave Mounts went in last Sunday to the ER with extreme headache. He was diagnosed with viral spinal meningitis and has spent the week in the hospital. Maribel and the family praises the Lord that it was not bacterial meningitis.

San Tan Bible Family Life

*Pray we would be able to find office space or a permanent building that would accommodate the many needs of San Tan Bible Church. We would ask that it would be in a location close to where we presently meet for services.

*Pray for all the 50 students and adults who are going to Summer Camp this Friday, July 6 – 9 as they learn what it means to “Fight the Good Fight of Faith”. Pray for safety, wisdom and guidance for all the leaders and for Chris Ball as he teaches each session.

*Pray for the safety of all those traveling this summer for vacations. Pray for Pastor Clay as he has many trips he must make for his tent-making position. Pray for all the Elders and Leaders of STBC as they travel to various locations - that they would be encouraged, find much needed rest and be refreshed in the Lord.

Other

*Pray for President Trump and Vice President Mike Pence, as well as all the men and women who govern our country. Pray they would seek godly wisdom in decisions they make that affect not just our country but the world. Pray for the Lord's protection on our country and for our leaders to seek God's guidance on all policies and procedures.

*Pray for those who serve in our military that they might be protected; pray for those who profess faith in Christ to remain strong and those who need Christ to have their hearts bent to knowing the Savior.
