### Specific Prayer Requests

Natasha Chan – Natasha is in the hospital with a severe case of C.diff. Pray the antibiotics she is on will bring her back to full health. Pray for Adler(her husband) to be able to care for the needs of their 2 small children until Natasha is released. Continue to intercede that she will regain her health completely.

Luis Ayala – Luis’s heart is working at 25% so he will be having a catheterization of the heart done to see the severity of the situation. The doctor will determine whether putting a stent in at that time will be sufficient or whether he needs to have open heart surgery. If a stent is put in, then Luis will return to the doctor 3-4 months later to see how things are going. Please pray for clarity for the physicians, comfort for Luis and Gladys (his wife) as well as a successful outcome.

Annabelle Rightsel: Prayer that she would sense the Lord’s presence and care for her as she struggles with loss of physical strength. Mike will be traveling to pick up his sister to spend a couple weeks with Annabelle. Pray for a speedy and carefree trip.

Bob Gammon: Prayer for strength and courage as Bob battles Parkinson’s disease.

Dennis & Bonnie Chancellor: Rest as they travel to see their son, daughter-in-law and grandchildren over the next several days.

April Feng: April is in need of a full time job. She is presently working 3 different jobs. She also has some health issues that cause her a great deal of discomfort.

Terri Kutchera: Terri recently completed her degree program and is looking for a full time position. Pray the Lord will direct her to the exact job to provide for all her needs.

### San Tan Bible Family Life

\*Prayer for the many students who will be graduating from High School and College in the near future. Pray the Lord would call many of them to pursue Him and honor Him in all that they do and say. Pray these students would represent the Lord in their studies and in their future endeavors.

\*Pray we would be able to find office space or a permanent building that would accommodate the many needs of San Tan Bible Church. We would ask that it would be in a location close to where we presently meet for services.

### **Other**

\*Pray for President Trump and Vice President Mike Pence, as well as all the men and women who govern our country. Pray they would seek godly wisdom in decisions they make that affect not just our country but the world. Pray for the Lord's protection on our country and for our leaders to seek God's guidance on all policies and procedures.

\*Pray for those who serve in our military that they might be protected; pray for those who profess faith in Christ to remain strong and those who need Christ to have their hearts bent to knowing the Savior.
