Come join us for a special time, designed especially for uplifting and encouraging busy mothers of young children, while also providing your little ones with fun, enrichment, and big doses of God's love!

SSC Moms provides a God-centered, caring community of mothers, designed to nurture and encourage women who are in this unique season of life:

- Creating an atmosphere of encouragement and acceptance.
- Developing a sense of commitment to family, other women, church, and community.
- Providing opportunities for growth in self-worth and confidence.
- Encouraging the discovery that God is relevant to each woman's everyday life.

The SSC Moms childcare program provides quality; caring infant and toddler care as well as an environment that meets the needs of the preschool child. Moms can relax, as their little ones are learning and having fun in age-appropriate classrooms of their own. Teachers provide activities that contribute to the child's:

- Social growth through play and participation.
- Physical and creative development through games, crafts, and exercise.
- Spiritual enrichment through Bible stories that are relevant to children's lives.
