

Relationship Building Opportunities

- These ideas are relationship building opportunities – view these activities as ways to help you start building relationships with Hispanic men & women.
- Know your context! Some of these ideas will fit your context better than others.
- Some of these require that you speak Spanish, but many do not.
- Persevere!! Building trust & relationships takes time. Be willing to fail and don't give up if you don't see results right away.

1. Always ask people, “How is your family?” (“¿Como esta su familia?”)
2. Ask a Hispanic member of your church to host a barbecue with their friends & family and members of your church.
3. Begin doing personal evangelism in your local park.
4. Do your shopping at Hispanic businesses and get to know the owner and employees.
