

SAFETY PLAN FOR REGISTERED SEX OFFENDERS

The following is a safety plan for _____ which will allow him/her to attend and worship at the Spirit and Life United Methodist Church in Woodbridge, Virginia. This plan is to be adhered to and any violation of it will be reported to his/her probation officer and the local law enforcement group (Prince William County Police). The plan is to minimize his/her contact with any minors within the church and any activities or church functions that relate to minors.

_____ will meet with a same-gender point of contact (who has cleared the church’s Child & Youth Protection Policy requirements) prior to entering the church. The point of contact will remain with and be responsible for _____ during his/her entire time in the facility.

The seating arrangement will be so that there are no minors near _____.

At no time, under any circumstances, will _____ be allowed in any areas where children and/or youth are congregated. This is referring to classrooms, child worship areas and bathrooms for minors. Separate, unique, and distinct bathroom accommodations will be made for _____ and his/her point of contact.

Church functions may be attended if a point of contact is accompanying _____.

At no time will _____ be allowed to meander alone through the church facility.

Upon completion of the church experiences (worship, small group, etc.) _____ will exit the church facility with his/her point of contact.

_____ may not initiate any physical contact with a child.
