TRANSFORMED

SJLS 2017

Do not be conformed to this world,
but be transformed by the renewal of your mind

St. John's Lutheran School News May 4, 2018

If at times, you feel overwhelmed with dealing with the challenges of parenting today, please take a few minutes and refer to the following blog post by Tim Elmore to get some good food for thought:

Upcoming Calendar Events

| | |
|-----------|---|
| May 10 | Grades K-2 Spring Concert, 6:00 p.m. |
| May 14-18 | 8th Grade Washington, D.C. Trip/7th Grade Yosemite Trip |
| May 23 | 8th Grade Graduation, 6:00 p.m. |
| May 24 | Last Day of School -- Noon Dismissal |

Please keep Mr. Eric Hoffman in your prayers for continued healing as he recovers from successful back surgery. We pray the procedure will provide relief from the pain and discomfort he has experienced prior to the operation.

Summer School Registration is still open for grades 1-5 any week of the summer. Students in grades 6-8 can still register for Weeks 1 and 2. Packets are available on the school [website](#). Classes vary by grade level and will take place weekly June 4-29. Don't miss out! If you have any questions, please ask Ms. Howard, the Summer School Director.

We want to thank all the 3-8 grade students who shared their musical talents this week in our **Band/Strings Concert** and **Handbell/Choral Concert**. SJLS is blessed with the leadership of a talented music staff of Mrs. Sue Dockweiler, Mrs. Kathy Ruiz, and Mr. Brian Scheller.

Families desiring to apply for **financial aid** were to complete their application process by May 1. If you missed that deadline, please complete the forms online at www.tads.com as soon as possible.

MathCounts and Science Bowl Informational Meeting – Students and parents of incoming 6-8 grade students, please join us for an informational meeting about Mathcounts and Science Bowl for the 2018-2019 school year on **Tuesday, May 8 at 6:00 p.m. in the Kidz Connection Auditorium**. If you or your student is interested in participating in either or both of these programs next year, please plan on attending together. Coach Rabi Sahoo and some student alumni will provide valuable information so that students can utilize their time in the summer to get a head start with preparation. Mrs. Shanyfelt and Mr. Rathe will also be available to answer questions.

Congratulations to our **Science Bowl** team of Alex Puga, Kabir Rahal, Alor Sahoo, Ojas Sharma, and Avya Shukla for taking 5th place out of the top 48 teams from around the country at the National Science Bowl in Washington, D.C. last weekend. We are proud of you and the dedication, effort and the number of hours you put into studying and preparation. And a HUGE thank you to Mr. Sahoo for his hours of coaching throughout the year to help them prepare.
