TRANSFORMED

SJLS 2017

Do not be conformed to this world,
but be transformed by the renewal of your mind

St. John's Lutheran School News August 25, 2017

Due to the amount of traffic congestion in the main parking lot during afternoon pick-up, we have opened the North Parking lot (behind the gym) to Junior High parents. For families with only Junior High students, you may parallel park along the red curb behind the gym and North Ed. Building, have your students come to you, and use the designated turn space before heading out. Drivers must remain in their car when using this space for pick up. For families with a Junior High student and younger siblings, please use the parking spots behind the Garage Building. We believe that by doing so, congestion will be eased in the main parking lot. Please, always watch for pedestrians crossing to their vehicles. We will continue to monitor our traffic patterns. The construction fence is not a parking zone, but does make pedestrian traffic a challenge without a sidewalk. We are trying to get these areas taken care of as soon as we can in the construction process. We will all need to bring an extra measure of patience during this time. Please check with Mr. Peregoy regarding any questions.

Please check your contact list. The campus moved to a new phone system this week and the school no longer uses multiple lines. The only number that will contact the school office is (661) 664-8090. Please remove any numbers previously associated with the school from your contact list.

*Congratulations to Mr. and Mrs. Weiss who are the proud parents of
Hudson Michael Weiss,
born 8 lbs 4 oz, 19 3/4 in. on August 19!
All is well and they are enjoying their time together!*

Mr. Peregoy will host a “**Superintendent’s Coffee**” on Thursday, September 7th from 8:15-9:00 a.m. This is an opportunity to hear about this year’s initiatives and allow time for some Q and A. An afternoon meeting time will be scheduled mid-September for a “**Superintendent’s Iced Tea.**”

St. John’s will celebrate the third phase of our Beyond Our Horizon campaign with a groundbreaking ceremony for our new Event Center this Sunday at 9:30 a.m. This area is currently being graded for a fellowship building that will provide a new home for our school lunch program. We are thankful to so many people who have pledged to the campaign and that help make these new facilities possible.
