TRANSFORMED

SJLS 2017

Do not be conformed to this world,
but be transformed by the renewal of your mind

St. John's Lutheran School News September 1, 2017

The construction on our **Events Center** will continue to make our parking lot a challenge until it progresses to a point where the fence can be moved back. This facility will be the future home for our lunch program as we create a large, indoor space for our fellowship activities. Please watch for pedestrians crossing to their vehicles. The construction fence is not a parking zone, but does make pedestrian traffic a challenge without a sidewalk. We are trying to get these areas taken care of as soon as we can in the construction process. We will all need to bring an extra measure of patience during this time. Please check with Mr. Peregoy regarding any questions.

Please check your contact list. The campus moved to a new phone system this week and the school no longer uses multiple lines. The only number that will contact the school office is (661) 664-8090. Please remove any numbers previously associated with the school from your contact list.

Library – Seeking Children's Magazines! If you subscribe to children's magazines and don't need them after reading, please consider donating them to the library. I would like to have a collection of age appropriate periodicals for students to read at lunch breaks.

Library Volunteers Welcomed! If you would like to help in the library, please send me an email with your availability. I love helpers and can even schedule you during your child's class, if desired. kpudiwitr@sjlschool.org

Sports – We are making some headway. Coaching our 5th/6th grade football team is Mr. Velasco and Mr. Andrews. We have enough student athletes to field a junior high boys team, but we are in need of one or two coaches. If this is something you are able to do please contact Mr. Spiva ASAP. **We are not going to start practice until the heat breaks. All of the teams in our league have agreed to this. That being said, the season for football might be a week later.** Coaching the 5th grade girls Volleyball team is Mrs. Dreyer and coaching the 6th grade girls team is Mrs. Paulden. They are practicing on Tuesday and Friday from 3:30-5:00. For our Junior High girls, we have 38 student athletes who want to play. This is a praise God moment. We will be fielding three teams to represent St. John's. However with the Hoffman and Weiss families having babies recently they are not able to coach this season. Mrs. Hoffman will still be involved as an advisor so that the program will continue to run smoothly. So for this season only, Mrs. Wilson, Mrs. Meger and Mrs. Dev will be coaching our three teams. Practice schedules will be announced to the girls and parents shortly. Go Saints!

We have **scrip** right here at the school office (and also available on Sunday mornings in between services in the lobby). Purchasing scrip gift cards at face value for your regular shopping, travel (including gas), and gift giving needs supports our school as a percentage of each purchase goes directly to the school. Order forms are available in the school office or on the website at www.sjlschool.org. Thank you for supporting our school while you shop!
