ST. LAURENCE LIFE

The Ministries That Make Us Strong

Dear Parish Family,

What you'll see as you look through this booklet is that there are all kinds of things that we do together as a Church family. Our life together centers around a few themes: serving together, growing together, praying together, and simply having fun together. The Christian faith is supposed to be a "together" activity and this booklet is intended to showcase that very thing.

This St. Laurence Life booklet is part of a larger effort to connect people more deeply to the Lord and to each other. It is a major priority of our Parish life to provide as many "on-ramps" as possible so that all of us connect with what God is doing among us. God has brought each of us here and given each of us unique gifts that this Parish family needs. Because we believe that, we want and need you to be involved as much as possible in the work we do as a Parish.

Please know a few things about our Parish:

1. The groups you see in this book are open to everyone.
2. There is never a bad time to join them. Can't join them right now because your plate is too full? You can join at any time.
3. The leaders' phone numbers and email addresses are printed here because they want you to contact them. We didn't have to twist anybody's arm. They are eager to welcome you.

We hope that there is something for everyone listed in this booklet and that you'll jump in. If you honestly look through this booklet and do not find what you are looking for, I hope you will reach out to me so that we can get that fixed. God bless you and by all means jump in and be part of the amazing work God is doing among us.

With Love,

Fr. Jordan, Rector
