Treasuring Jesus: Who Are God's People

Text: Luke 7.1-17

Looking into the Text:

1. As you read the two stories, one of the centurion and the other of the young man's resurrection, what differences and similarities do you observe?
2. What do these stories tell us about people? What do these stories reveal about Jesus?
3. Read Luke 4:31-40. Suppose the centurion was an eye witness to these events or heard first hand from his soldiers. How would that have impacted his decision to call for Jesus to heal his servant?
4. What is great faith versus a little faith?
5. In the story of the raised only son, what part touches your heart the most?

Looking Deeper:

1. This centurion was great in the eyes of men yet deemed himself unworthy. How role does unworthiness play in a person's salvation?
2. Belief in Jesus is a start. What role does surrender to the authority of Jesus play in the process of salvation?

PRAY:

1. Pray for the group that we would walk in surrender to the truth of God.
2. Pray that our church body would care for their employees and employer and model the word of God.

Do:

Verbalize the area where you need to surrender to the authority of Jesus this week. Let someone in your group know and to keep you accountable this week.

Participate in the creating of the Homeless Kits and distributing of them.
