Text: Acts 5:33-42

1. What is a one hit wonder? A flash in a pan? 15 minutes of fame? Google the history of the phrases if needed.
2. In Acts 5:33 it says, "but when they heard this". What does this refer to? What does "Cut to the quick" mean?
3. Gamaliel used two historical figures to prove a point. What was his point?
4. In Acts 5:39 Gamaliel seems to make a concession that this could be a movement of God. What do you think of this statement? What were his motives in saying this?
5. In Acts 5:41-42 what two things did the apostles do after their flogging?
6. Have you ever been considered worthy to suffer shame for Jesus?
7. Let's think about our personal walk with Jesus. Are we one-time flashes who bore fruit once but have faded into the shadows of the world? Are there spiritual things we did once upon a time but haven't really been consistent in our following of Christ? Be honest with each other. What do you intend to do to be more consistent in your walk?

Close your time by having some share their 45-60 second testimony. Before you pray, share the names of lost people with whom you are bearing witness.
