LIFEgroup Discussion Questions

Table Talk: The One Another Community

May 28, 2017

Read: James 5.19-20

1. See how the week went and how God used people in your group?
2. When is a time that stands out in your life that you had to truly lean on someone or a group of people to help you?
3. What are the four key words in the verses that closes out the letter of James? What TRUTH could one be straying from and how might they be walking in error in the church James is specifically addressing?
4. This one who James calls a sinner explain the different scenarios of where they could be in their walk with the Lord?
5. What is God's heart toward the sinner (Ezekiel 33.11; Luke 15.11-32)? What does God's security look like (pick some of the following verses to talk about: Philippians 1.6; John 10.27-30; 1 Corinthians 1.8; Jude 24; Romans 8.30)?
6. James calls the church to a specific work here in these two verses. What is it? How is it like God's heart according to question 5 above? Think through some of the "one another" verses together (attached).
7. What is on the line according to this verse? What could that mean and what does it mean that a multitude of sins will be covered?

Pray.
