## *LIFEgroup Discussion Questions*

*June 12, 2016*

**Text:** Acts 9.31-43

1. What does it mean to have a fatalistic attitude? What reasons might the church in the first century be tempted to have such an attitude. What can this attitude sometimes look like? What might cause us to have such an attitude?
2. Instead of a fatalistic attitude what kind of attitude does Jesus want us to have (Acts 9.31)? How have we seen Jesus turn things around in the book of Acts thus far?
3. How do we see Jesus turn things around in today's text? What do these healings point to both in the here and now and in the future for believers (1 Corinthians 15.54-58)?
4. How do we see Jesus work through people to turn the lives of others around? Peter? Tabitha? Disciples in Joppa? Two men?
5. What in your life right now needs to turn around? Pray and take whatever it is to Jesus.

**Pray.**
