## ***LIFEgroup Discussion Questions***

What If...

June 14, 2015

**Texts:** Joel 1:1-4, 13-14

1. What does the phrase “Divine Intervention” mean to you? Or they good things or bad? Have you witnessed a divine intervention?
2. What was the divine intervention in Joel 1:1-4? How would a local news channel have covered this event?
3. Read Joel 1:1-2 What might be the difference between “hearing something” and “listening to something”? How can we as a church better listen to God? Where do you see your LIFEgroup in this? Would revival come to The Ridge if all LIFEgroups were like yours?
4. Read Joel 1:3 What are God’s people supposed to tell others?
5. Read Joel 1:4. Joel speaks of a succession of locusts each more devastating than the last. Have you experienced issues like that? Is there a time you thought the worst was over only to experience more pain?
6. Read Joel 1:14 What does a fast and solemn assembly look like to you?

Close in prayer by praying for people “By Name” and committing to fasting and attending the Solemn Assembly on Wednesday, June 17 at 7:30 pm.
