The Grace of God Made Visible
July 3, 2016

Text: Acts 11.23

1. How would you define the grace of God (Romans 11.36)? How would you specifically define God's saving grace (Ephesians 2.8-9)?
2. In Acts 11.23 it tells us that Barnabas arrived in Antioch and witnessed the grace of God. How as God's grace made visible in Antioch (Remember how the disciples got to Antioch - 11.19)? What did Barnabas see?
3. Is God's grace simply getting what we want? How do we see that not being the case in Acts 11? So, what ultimately is God's grace whether in the bitter or sweet tastes of life?
4. How have you seen God's grace visible recently?
5. What was Barnabas' response to seeing the grace of God in Antioch? What did he tell them in response as well (11.23)?

Pray.
