Sacred Psalms – God Sustains
July 20, 2014

Read: Psalm 40

1. Why is waiting so hard?
2. When was the last time you reflected on the great gift of salvation the God extended to you?
3. Instead of asking during your prayer time this week what some things are you are thankful for? Big or small?
4. How faithful are you to proclaim to others the works on God in your life?
5. When disaster strikes in our lives to who do you typically turn to for help? Why?
6. Reflect back on your life. Are there any ways you can see how God intervened in a situation you faced? Does that give you hope that he can and will intervene in your current trials?

Pray.
