***LIFEgroup Discussion Questions
Encouragement for the Journey
July 24, 2016***

Text: Acts 13.1-12

1. It is clear that Paul and Barnabas encountered distractions along the way as they shared the gospel. Discuss some of the distractions we face individually and as a church and how we can combat those. What distractions do you need to eliminate from your life?
2. What stood out from the Finding Nemo/ Dory video clip? What character can you most identify with in the clip?
3. We all want to help in some form or fashion but often don't know how, so we don't do anything. One of the most effective ways to help is to use encouragement. Share some ways that you can encourage those around you this week.
4. Read Luke 6:45. Discuss your thoughts as to what this means for you and how it affects those around you at the Ridge and beyond.
5. As you close today, what is one takeaway that you can practically put in place in your life for this week?

Pray.
