The Gospel: Unashamed of the Gospel
August 30, 2015

Text: Romans 1.14-17

1. Do you remember an embarrassing time from when you were young?
2. Paul says, *He is not ashamed*. What does this imply about shaming? Discuss. How was Paul shamed?
3. What do we learn about Paul's eagerness to share the gospel? How does this compare to ours?
4. What does Paul say about the gospel in 1.16-17? Discuss in detail.
5. What are the two mindsets that war against the gospel that were mentioned in the sermon (Antinomianism and Legalism)? What do they mean? How do we see flavors of Antinomianism in Romans 1.18-32? How do we see legalism in Romans 2.1-4? What does Paul conclude about the overall condition of man (Romans 3.10-11)?
6. So, what is the one cure for such mindsets and the condition of man? We as believers must be on guard to not let such mindsets creep in, so may we be encouraged by Paul's words in 1 Corinthians 15.1-2 to continued daily to get our living from the gospel.

Pray.
