The Church: Everybody Has Role
November 2, 2014***

Read: 1 Corinthians 12:12-26

What's the worst injury you've ever had? How did it affect the rest of your body's abilities?

In what ways have you felt like you don't matter in our church? How does the truth in this message change that for you?

What are some gifts you know God placed in you to use at our The Ridge?

If you're not currently serving at the church, what are the obstacles you feel are keeping you from that commitment?

What would The Ridge be like if everyone embraced their place of serving?

What do you feel like your place in the church might be?

Here are some additional scriptures for you to read and talk over in light of this morning's message:

Romans 12:1-8

Mark 10:35-45

Pray.
