Advent – Fixed on Jesus: The Great Gift of Christmas

December 18, 2016

Text: Hebrews 10-11

1. What is a Christmas gift that was unforgettable for you to either receive or give?
2. What does Jesus' coming grant to us who believe in Him according to Hebrews 10.19-20? What is the link between the veil, the holy of holies, Jesus' death and what does it all mean (Luke 23.45)?
3. What are we called to do in light of Jesus' being the great priest who has given a new and living way (10.21)? How to we draw near?
4. What does this faith look like according to the following?
 - Hebrews 10.32-33
 - Hebrews 10.34a, 24-25
 - Hebrews 10.34b-11.3
5. What does the walls of Jericho falling down, Rahab's faith and the suffering of the saints of old tell us about faith? Sometimes victories and escapes come, but sometimes they don't, so how does faith respond?
6. What is the reward waiting the saints of old that we to will partake in?

May we remember this Christmas that Jesus truly is the greatest gift of all and He grants to us a gift that tops any given and that is the gift of faith.

Pray.
