DESCRIPTION
The moral revolution of the last century has caused no shortage of conflict in the church. This has raised numerous questions, such as how can the church respond to the LGBTQ+ agenda or how we should think about women in ministry? Or even more fundamental, what is the mission of the church? In this course on contemporary issues, you will learn a biblical, theological, and historical answer to these major questions, so that you can have confidence in answering them in your teaching ministry.

COURSE OUTCOMES
At the end of this course you should be able to:
1. Understand current ethical challenges and learn how to respond.
2. Explain the theological truths behind the Christian worldview on these topics.
3. Teach truth carefully, balancing truth and love.
4. Apply the Bible to real-world ministry.
